

SUPPLIER DIVERSITY PROGRAM

EA is a 100% employee-owned public benefit corporation that provides environmental, compliance, natural resources, and infrastructure engineering and management solutions to a wide range of public and private sector clients. Headquartered in Hunt Valley, Maryland, EA employs more than 575 professionals through a network of over 25 commercial offices across the continental United States, as well as Alaska, Hawaii, and Guam. In business for nearly 5 decades, EA has earned an outstanding reputation for **technical expertise, responsive service, and judicious use of client resources.**

Doing Business with EA

EA is committed to providing all categories of small businesses with the maximum opportunity in support of our procurement requirements. Our Supplier Diversity Program is designed to champion the company's efforts to achieve socio-economic targets, such as those specified in many of our client contracts.

EA seeks companies with financial stability, that share our focus on providing technical quality, competitive cost, and superior service in today's marketplace. We routinely work with a wide variety of subcontractors and suppliers to augment or complement our services and products. We continue to expand our network of diverse business partners and look for new companies to help us meet our business and client needs.

"For EA, diversity is good business and is one of the tenets of our sustainability program. We routinely work with a wide variety of subcontractors and suppliers to augment or complement our services and products. Our Supplier Diversity Program's online registration portal was developed to expand the depth and diversity of our business partners, and potentially identify new companies to help us meet our business and client needs."

— Ian MacFarlane, EA Chair, CEO, and President

Register Today

To complete the registration form and for more information on EA's program, please visit our Small Business Subcontracting and Supplier Diversity Program on the web:
